F. Directors' Reports

Charmon-We have been busy with the start of school. We have had several complaints from a few of our neighbors. They have been calling PVSD, the police department, and daily calls to administrative team. A few of our neighbors want to make families aware of things that bother them. Our Coffee with the Directors was attended by many parents complaining about the neighbors, calling them bullies. The parents are also concerned about the playgrounds. When will the projects be completed. After speaking with PVSD again, that Friday the contractors came and started the TK playground. The other playground will be complete sometime next year.

Echo-We have just finished the data chats regarding assessments with all grade levels. We have seen growth in all grades. Intervention groups have been started. The admin team has also started PGPs with teachers, each with ten teachers. November 16th we will host our annual dual parent night. We have started several afterschool programs. Art Trek, Bricks for kids, Ballet Folklorico, yearbook and builders club.
